Martin ZÜNKELER

Martin Zünkeler started as head of marketing at the software company former isoft former Torex. He was able to gain a lot of experience, until he established his own IT company (CoMMed) in 2003. His company provided Hospital Information Systems. Afterwards, Martin Zünkeler proved his talent in founding, developing and distributing his software.

Also Martin worked for the Comprehensive Cancer Center of Charité as Manager. The formation of KAIROS followed as an artless consequence, where he offers a unique software solution to the market, which defines biobanking in a new niche, as well as the foundation for the present reasearch portal CentraXX.
