Ronny BABER

Dr. Ronny Baber works in the Institute of Laboratory Medicine, Clinical Chemistry, and Molecular Diagnostics at the University Hospital Leipzig. Since 2010 he is the head of the LIFE-Biobank (now part of the Leipzig Medical Biobank) and the LIFE-Preanalytical laboratory (since 2014) in the Leipzig Research Center for Civilisation Diseases (LIFE).

Dr. Baber is a member of the working group in the German Institute for Standardization (DIN) which supports the ISO TC 276 responsible for the ISO norm 20387 on biobanking and BBMRI-ERIC workgroups for the evaluation of CEN standards.

He is also part of the Steering Committee and different working groups in the “German Biobank Alliance” (GBA) initiated and coordinated by BBMRI.de trying to link GBA biobanks to the BBMRI-ERIC infrastructure. Since September 2017 he is designated as Treasurer of the ESBB.
