

**You have plans and want to realize your ideas?
You are looking for ways to get involved on campus?
Or you just need help?**

Why not check out the AStA?

The 'AStA' -General Students' Committee- is entrusted with the task of representing ideas and interests of the entire student body. It's members are annually elected by the students association and assisted by **FREE LANCE WORKERS**. The 'AStA' of the 'Universität zu Lübeck' subdivides into the following 5 departments that cover different topics:

- **KUS** (culture, environment & sports) deals with all kinds of projects concerning matters like the University-cinema, the CampusOpenAir- festival and much more
- **Finance** deals with the funding of projects as well with negotiating the fee for the student ticket
- **IT** takes care of all technical affairs, the AStA-webpage and mailinglists
- **KoPR** (communication & public relations) is responsible for statements to the press as well as for the studentspress and other projects
- **PAS** (politics, international relations & social affairs) is in charge of various social and political projects

Furthermore the 'AStA' also offers services like

- the university-shop
- the book exchange
- the International Student Identity Card (ISIC)
- presentations and informations on the text processing program LaTeX suited for scientific papers
- guidance concerning the law of tenancy
- and more ...
